2. Sheltering, raising, handling, processing or sale of agricultural animals or agricultural animal products.
3. Business or office uses relating to the farm operations.
4. Use of farm machinery or equipment or maintenance or storage of vehicles, machinery or equipment on the farm.
5. Storage or use of supplies and materials used on the farm.
6. Implementation of best management practices associated with farm operations.

Such buildings or structures lying within a flood plain or in a mudslide-prone area are subject to flood proofing and/or mudslide regulations. This exemption does not apply to any building or portion thereof used or operated as a restaurant and licensed by the Board of Health.
