

# Grayson County Storm Assessment Information

For questions call Grayson County Helpline for assistance  
1-276-200-4654

In the wake of our recent storm damage from hurricane Helene. It is essential to assess and document any damage to your property. This information will help in recovery efforts and potential assistance programs.

## Steps to Document Damage:

1. Assess your property
2. Take photos and videos
  - Capture clear images of all affected areas from multiple angles
  - Record any specific details of damage
3. Avoid clean-up before documentation

Please **DO NOT** begin clean-up until you have documented the damage thoroughly. This will ensure that all information is recorded for assessment.

## 4. Submit your damage

Email your photos, videos, and a brief description of the damage to [tshelenedamage@graysoncountyva.gov](mailto:tshelenedamage@graysoncountyva.gov) or call the Helpline for assistance

*Make sure to include contact information  
(phone, address, and name)*
